1. **Are you publicly and privately opposed to all abortions**, regardless of conception such as rape or incest?
2. **Do you support artificial formation of human life outside the womb** for the purposes of cloning, fertility treatment, invitro fertilization, or embryonic stem cell research?
3. **Do you believe that at the moment of fertilization** there is a created, living, unique and unrepeatable human being present in the womb worthy of the same rights as a child outside the womb?
4. **Is it permissible to abort due to the excuses** of economic circumstance, sex selection, or any disabled “fetal anomaly”, or disease, such as down syndrome or other condition?
5. **Is it ever medically necessary to abort** in order to save the life of the mother?  
Does not include ectopic pregnancies or preterm deliveries when a mothers health is in question.
6. **Would you ever accept money from any group or PAC that supports abortion**, euthanasia, assisted suicide, or biological research involving fetal tissue?
7. **Will you work politically to end the trafficking of all baby body parts** obtained from live organ harvesting or abortion for research of any kind?
8. **Will you work to protect the rights of pro-life advocates** as they demonstrate peaceably and legally against all abortion providers/workers, medical professionals, escorts, judges and others who promote or provide abortion and euthanasia?
9. **Will you support and endorse legislation that provides conscience protection or exemptions** to health- care providers, or any citizen, so they are free from statutory and regulatory mandates that would otherwise require them to provide, participate in or make referrals for services, medicines or “vaccines” or experimental treatments that conflict with their morals?
10. **Will you support legislation that removes the federal mandates** that force inclusion of “free” coverage of abortifacient birth control, sterilization, education or counseling on these “preventative services”?
11. **Do you oppose all tax-payer funding of Planned Parenthood and other abortion providers** through Medicaid, or other state or federal funding?
12. **Do you oppose all euthanasia, all assisted suicide, and all so-called mercy killing** of innocent human life, including starvation by denial of food and water?
13. **Do you oppose gender drugs and surgeries for minors?**
14. **Will you vote to stop reinstatement or advancement of the Equal Rights Amendment**, state or federal?
15. **Do you support a Human Life Amendment to the US Constitution, prohibiting abortion from conception?**
